### **Who May Compete:**

Age (through age 25): The FEI age rule applies, which is the age the rider reaches in the calendar year. For example, if the rider becomes 25 years old in 2022, the rider is eligible, but if the rider becomes 26 years old in 2022, the rider is not. If the rider turns 12 anytime in the year 2022, the rider is considered to be 12 for the show.

**Horse** may be ridden by one rider in two consecutive Divisions or two riders in the same or different

Divisions. A horse may compete in two Divisions only. The welfare of the horse is of utmost importance. Two competitors riding the same horse must keep this in mind when entering.

### **Divisions:**

The Divisions are the heart of the Youth Dressage Festival. Each Division consists of three Sections: Written Test, Equitation Class and Dressage Test. Each Section is worth 100 points for a total of 300 points.

Total points from the three divisions determine placings. Ties are broken by using the Equitation Class score, then Dressage Test score and, if needed, the Written Test score. For example, for Division #11, the rider will have a written test in their age group, ride in a group equitation class with other riders of their Division, and ride the First Level Test 2 dressage test.

Riders entering two different Divisions will take one written exam (by age) and the same score will be used for each Division. For example, if a rider is riding one horse at the First Level Division and another horse at the Second Level Division, the rider will take one written exam and that test score will count for both the rider's First and Second Level Division scores. That rider will also ride the higher-level Equitation Class.

**Equitation Class Section:**

This is a group class. The riders will be asked to perform at the level of their Dressage Test, with that level's gaits. Extra movements are not requested except where the judge feels the need for added input from the rider. The rider's position and seat will be judged along with the correct use and effect of the aids. The rider's position will be judged as it relates to the horse's balance, i.e., a rider with a classical hunt seat position would be acceptable at Training Level but not at Third Level. Riders competing in two Divisions will ride in the equitation class of the highest level only (only one equitation class). The score sheet for the equitation section is posted on the LYDF website and is on the last page of Prize List.

## **RULES:**

**Competitor's Volunteer Requirement:** All competitors MUST volunteer for at least 1 hour during the show. Once you have arrived and have your horse stabled, get your packet from the Show Secretary, check your ride times, and then go to the Volunteer Booth for your assignment(s).

**Attire:** Riders may wear traditional show attire. If coats are waived due to heat (often the case), only short or long-sleeved shirts are allowed, no T-shirts. Informal attire (short or long-sleeved polo shirts) also is acceptable in the performance arena in place of traditional show attire. All riders must wear proper attire when mounted. ASTM/SEI approved helmets are required for all riders when mounted. The wearing of an improper helmet is grounds for disqualification. Whips and blunt spurs are allowed. Judges may deduct up to two points for messy attire in the performance arena. Award recipients must be in neat competition attire (unmounted) to receive their Division awards.

Draw reins are not permitted at any time on the show grounds. Horse boots and/or polos are allowed in warm-up areas only. Horse boots and polos are not permitted while competing. The Show Management reserves the right to inspect any rider and their equipment at any time for compliance with these show rules. Non-compliance will be grounds for disqualification.

**No coaching** is allowed any time while the rider is competing. The only person allowed to ride the horse on the show grounds is the competitor(s) entered on that horse. Any rider receiving coaching while in the competition ring will be disqualified whether the rider requested such assistance or not. Any visual or verbal communication with the rider is considered coaching. All tests must be ridden from memory.

**Ring stewards** are not there to assist the riders with their times or after whom they ride. The riders need to know in what ring they ride, their times, and the numbers of the riders ahead of them. Do not ask the stewards.

**Parking:** Trailer parking available on location.
